AWS Community Day

AWS Community Day is an event organized by members of the AWS community, such as AWS User Groups, AWS Heroes, and other community leaders. It's a day dedicated to sharing knowledge, experiences, and best practices related to Amazon Web Services.

Knowledge Sharing

Experts from the AWS community, including AWS Heroes and technical enthusiasts, share their knowledge, experiences, and best practices. This fosters learning and development within the community.

Tech Conference

The event typically includes presentations, workshops, and networking opportunities, allowing attendees to learn from industry experts, engage with fellow AWS users, and deepen their understanding of AWS services and solutions

Networking

AWS Community Day provides an excellent platform for professionals to connect and network with like-minded individuals, industry experts, AWS employees, and potential collaborators.

Why should you Sponsor?

Craft Your Employer Persona

Paint a vivid picture of your organization within the community. Share what makes you a sought-after employer, forging partnerships that resonate.

Inspire Decision-Makers

Unleash the potential of your tools and solutions on influential minds. Illuminate ways to optimize infrastructure, while showcasing your triumphant tales with AWS

Showcase Tech Capability

Exhibit your technical skills through live showcases, revealing your proficiency across diverse technologies.

Forge Valuable Connections

Immerse yourself in a realm of networking, where top-tier tech talents converge. Open doors to global interactions and collaborations that transcend boundaries.
